

TACKLE TWILL & EMBROIDERY LETTERING

Tackle twill is a great looking way to customize your uniform with a team name, team initials or mascot. Twill is machine washable, and it won't shrink or run. Minimum order is 10 garments. All colours are available and you can have up to 3 colours per letter.

How to order Tackle Twill Lettering:

Choose the lettering style you desire from the selections. Indicate the style number, along with the desired size, colour(s), and actual lettering required on your order.

How to determine the size of your letter:

The size of twill lettering is determined by the height of the 1st colour. Each additional colour will add approximately 1cm to the height of the lettering.

The size of script lettering is determined by the desired height of the capital letter. The size of bridge, double bridge, and arch twill is determined by the desired height of the outside (first and last) letters.

How to determine the colour(s) of your twill: Currently we have available: Gold metallic, Silver metallic, Red, Black, Kelly Green, White, Royal Blue.

The 1st colour is the main (top) colour of lettering. The 2nd colour is the backing of 2 colour lettering, the middle colour of the 3 colour lettering, or the bottom front of split colour lettering. The 3rd colour is the backing colour of 3 colour lettering and split colour lettering.

Pricing

# of letters:	1 color	2 color	3 color
1	\$ 3.75	\$ 5.25	\$ 6.75
2	\$ 5.50	\$ 8.25	\$11.25
